Catering:

On-site catering will be available. The lunch break may be extended to enable marshals to be properly fed. Please avoid using the café during this time so we can resume activities promptly.

Paddock:

Please arrive in good time and park in your allocated paddock space as shown on the Paddock Plan. If you are in bays C2 to C31, please park in a chevron formation to provide more space on the access road. Support cars and/or trailers must be parked in the paddock behind competing cars. Gazebos may be erected over your paddock space, but must be weighted down due to the risk of sudden gusts of wind. Pegging gazebos down on tarmac paddocks is not allowed. Any damaged gazebos must be taken home for disposal.

Signing-on:

Competitors will sign on at the Paddock Office between 8:00 AM and 9:30 AM. You must produce your current MSA Competition License and Club Membership Card.

Numbers:

Numbering is as shown on the attached entry list. You are responsible for numbering your car before scrutineering. Please note that numbers will not be available at the event.

Briefing:

All drivers new to the current days format, as well as new, junior, and under-18 drivers on the day of the event, must attend the drivers' briefing. Any drivers with questions should also attend.

Drivers not required to attend the drivers briefing in-person must instead sign the written drivers briefing.

This written briefing must be read in full, and the tear-off declaration strip must be completed and handed in at signing on.

Incidents:

If you have an incident, a marshal will approach from the front up to 2 meters away. Please give the 'Thumbs Up' signal if all is well and proceed back to the start/finish line or exit through the paddock gate if necessary. If required, the recovery vehicle will be deployed. Please do not assist in any manual recovery operations and follow their instructions.

Documentation:

Please ensure you have the correct documentation signed and with photographs if applicable. This may be requested, **especially for the passport/logbook (if applicable).**

Walking the Course:

It is in the competitor's interest to walk the course, but it must be cleared 15 minutes prior to the start time.

Paddock Roads:

Only 8 cars will be allowed in the paddock start line area at any one time. Please always comply with the paddock marshal's instructions regarding keeping the return road clear.

AMENDMENTS TO SRs:

None.
